New Year, New Officers

For the first time in its 30-year history, the Friends of Salt Springs Park board of directors has an all-female executive committee. Tami Noonan took the helm as president after serving 5 years as vice president. Deb Nagle moved into the vice president spot from Secretary. Penny Nagy continues her role as our Treasurer, and Kim Leary stepped up to be Secretary. Congratulations, ladies!

"As women achieve power, the barriers will fall. As society sees what women can do, as women see what women can do, there will be more women out there doing things, and we'll all be better off for it." — Sandra Day O'Connor

"Women belong in all places where decisions are being made. It shouldn't be that women are the exception." — Ruth Bader Ginsburg

New Year, New Administrator

Stephanie Davne joined the Friends in December 2023 to step into the role of Administrator vacated by Debra Adleman. Stephanie grew up in Susquehanna County and has enjoyed Salt Springs Park for many years. She graduated with a Bachelor of Science degree from Lock Haven University.

She spent most of her career in Human Resources management, working in the locales surrounding Philadelphia, before returning to the family farm with her husband, dogs and cats.

Stephanie brings with her a strong background of administrative experience, including a reputation for building strong relationships and resolving critical work challenges. She's looking forward to applying her expertise on our behalf, and becoming more involved in the community of friends, residents, visitors, and volunteers who call Salt Springs Park their "happy place".
